## MORE INFORMATION AND RESOURCES

The People's Commission has set up a CSIS Watch webpage to provide information and advice about how to safely deal with CSIS.

This includes our “Top Ten reasons not to talk (or listen) to CSIS”, several short “how – to” videos; accounts of experiences with CSIS; analysis and context; and more.

The People's Commission Network is a Montreal network monitoring and opposing the "national security agenda". The network is a space for individuals and groups who face oppression in the name of "national security" - such as indigenous people, immigrants, racialized communities, radical groups, social justice organizations, queers, labour unions - and their allies, to form alliances, share information, and coordinate strategies to defend their full rights and dignity.
